Goals for East Garner Elementary

- ★ Teach with fidelity the Common Core State Standards in English/Language Arts and Math, and the Essential Standards in all other curriculum areas.
- ★ Use data effectively in Professional Learning Teams to drive instructional decisions and practices to ensure all students meet or exceed grade level expectations.
- ★ Utilize 21st century technologies in all classrooms and disciplines to engage, empower, and connect students.
- ★ Increase parent engagement and participation in their children's education and the school community as a whole.
- ★ Ensure high quality Core Instruction happens daily in every classroom and every content area.

Student Handbook Verification

- ★ Parents should have received copy of Handbook at Open House.
- ★ Collect signed the photocopied version of Parent And/Or Guardian Signature Sheet.

Standard Based Grading

- ★ Level 1: shows insufficient performance of targeted grade level standards (‘I don’t get it yet. I need help’)
- ★ Level 2: needs support to meet targeted grade level standards (‘I almost get it, but I need help’)
- ★ Level 3: demonstrates proficiency of targeted grade level standards (‘I get it. I can do it well.’)
- ★ Level 4: shows exceptional knowledge and problem solving, makes connections to other content areas, and demonstrates a higher level of thinking for that objective. It is NOT simply working above grade level (‘Since I can do this I can figure out new things’)

Behavior Reports & Class Dojo

- ★ Each class has Class Dojo. This is a Schoolwide behavior management and communication path for parents.
- ★ The homeroom classes are shared with all specialists and 5th grade teachers so that students can earn points anywhere.

Capturing Kids Hearts

All classes have created social contracts. These contracts were created and signed by students and teachers in the class. The questions we asked ourselves when creating our social contracts were...

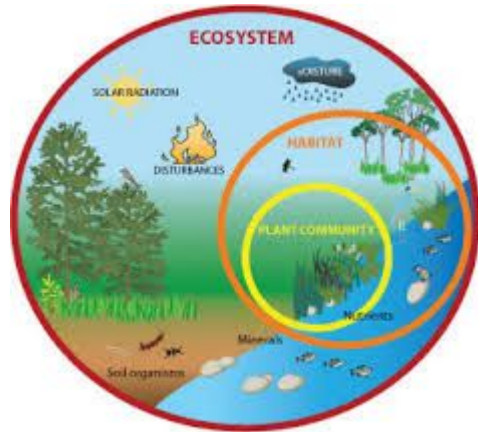

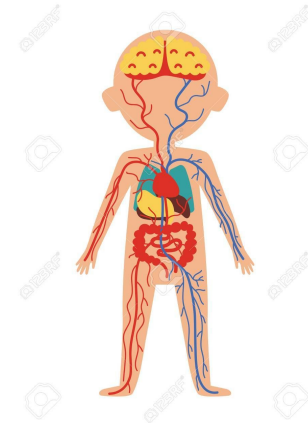

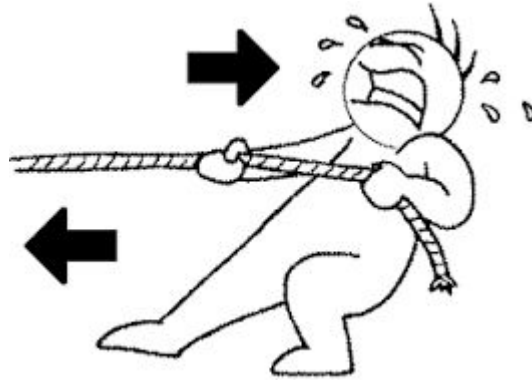

1. How do you want to be treated by the teacher?
2. How do you want to be treated by each other?
3. How do you think the teacher wants to be treated by you?
4. How do you want to treat each other when there is a conflict?

Fifth Grade Math

- Big Areas of Study:
 - Fractions
 - Multiply and divide whole numbers
 - Decimals with all operations
